New Members

Great to see all of the new members that are coming in via the Meetup group and word of mouth.

It's great to see all of the new people that are coming into the club for either social or diving purposes.

Welcome to you all!!

Club Hours

We are also looking for people to send dive journals for trips taken for the web site. Dive journals help members learn about new dive locations and provide insights about where to stay, eat and dive. You can earn time toward your work hours for each dive journal you submit. Send your dive journals to Mike Rodriques at mrodriques@gmail.com.
