## ***New Members***

We had a huge turnout of new members this month. This further points to the great progress that we've been making as a club. Lets keep the momentum going and continue to bring great new people into the club. You should all take a moment to welcome the new members in at the next meeting.

## ***Club Hours***

We are also looking for people to send dive journals for trips taken for the web site. Dive journals help members learn about new dive locations and provide insights about where to stay, eat and dive. You can earn time toward your work hours for each dive journal you submit. Send your dive journals to Mike Rodriques at [mrodriques@gmail.com](mailto:mrodriques@gmail.com).

## ***Your ideas are welcome!***

If you have any ideas for dives, or activities that you'd like to see the club pursue, please contact any board member to discuss them. We are always looking for ways to present more activities or group dives for the club membership to enjoy. If you'd like to submit ideas for activities, you can do so via email to [activities@aquaticexplorers.org](mailto:activities@aquaticexplorers.org).

## ***2013 Wappingers Creek Water Derby***

It's with great happiness that we can declare this years water derby to be a great success! This years water derby had more participants, more sponsors and the involvement of more club members than years past. We owe a great thanks to the membership, to paddlers in the area and to local businesses for helping to promote the race.

We also owe a special thanks to the editors, staff writers and photographers at the Poughkeepsie Journal for offering the wonderful coverage. Please be sure to visit them [here](#) and show your support.

Over the next several weeks we'll be organizing and publishing more photographs, race results and a separate website focusing specifically on the race, it's sponsors and it's participants. Take a look for it, and we'll let you know when it's available to the public.

Thanks for your support, your participation and your hard work to make this years 43rd annual water derby the best one yet, and lets start working to make next years even better!!!
